Dear Parent/Guardian:

This letter is to inform you of an opportunity to help your child improve their current marking period grades in most subjects. The Guidance Department at Bolger Middle School has put together study groups for various courses (grades 5-8) that will be available to assist your child immediately after school in the Media Center. Following this important time, students will be encouraged to remain for normally scheduled extra help in Math and Language Arts in specified locations (as outlined below).

By encouraging your child to remain after school for extra help, you are showing support and helping your child become academically successful.

We look forward to seeing your child(ren) after school beginning in January 2016.

Sincerely,

The Guidance Department

Mr. Arthur Emken

Mrs. Stefania Kohler
