There are two days built into the calendar for inclement weather and other emergencies. In the event the district must make up more than 2 days, the order of these days are June 5, 2020 and June 23, 2020 and they will be one session days if we use our two snow days. If the district does not use any snow days, the last day for students will be June 22, 2020. If more days are required to be made up, then the school year will be extended from June 18, 2020 forward.
