There are two days built into the calendar for inclement weather and other emergencies. In the event the district must make up more than 2 days, the order of these days are May 31, 2019 and June 24, 2019 and they will be one session days if we use our two snow days. If the district does not use any snow days, the last day for students will be June 19, 2019. If more days are required to be made up, then the school year will be extended from June 24, 2019 forward. Any staff development days that are used for snow make-up days will be added after graduation.
