Keansburg Special Education Parent Advisory Group (KSEPAG)

Who We Are:

KSEPAG is a parent-led advisory group for the parents/guardians of students receiving special education services. The Individuals with Disabilities Education Act encourages parents and educators to work collaboratively, emphasizing that as a team they are uniquely suited to make decisions that help improve the educational experiences and outcomes of children with disabilities. In New Jersey school districts are required to have a SEPAG:

Each board of education shall ensure that a special education parent advisory group is in place in the district to provide input to the district on issues concerning students with disabilities. [New Jersey Administrative Code 6A:14-1.2(h)]
