

POP-UP BABY PANTRY

The need for diapers doesn't have to be overwhelming!

On average babies need 6 diapers a day and newborns need more than double that. Not having diapers can lead to less frequent changes causing severe diaper rash, urinary tract and staph infections, and other health conditions.

The Bayshore Family Success Center is excited to host our monthly Pop-Up Baby Pantry. Inventory will be based on community donations and will include diapers, wipes, and formula.

In addition to baby items, representatives from Child Care Resources and Monmouth County Social Services will be on site to answer your questions. Look for presentations at future pop-up baby pantries on our First Fridays!
