September 2020

Child Development. Understanding what kinds of things kids will be learning academically and socially this school year and checking-in with them about their experiences can alert parents to any difficulties kids may be encountering before crisis develop. This can also prepare parents to help children deal with these challenges

Life Skills:

- Parent to Parent Series: Navigating Virtual Learning, Tuesday, September 15, 10am. We are launching a new series - Parent to Parent -where parents can come together to lean on each other and on us to discuss all aspects of parenting; the challenges as well as the joys! Our series is kicking off with a Zoom on how to navigate virtual learning. We will explore common problems like how to use Google Classroom, how to bump questions up the chain of command, and how to utilize the school's website. Our hope is to move this group to in-person meetings but for now, we will see you on Zoom!
- Kids Cooking: Thursday, September 17, 4pm. Are you tired of your kids ALWAYS saying that they are hungry and demanding food? Have them join us on Zoom (for now) for a hands-on live kids basic cooking demonstration, taught by a kid! We are starting this new series with EGGCELLENT EGGS! Your kids will master the art of independent snacking.

Family Fun!:

- Bayshore Book Club: Thursday, September 24, 6:30pm. This month we are reading "The Tenant" by Katrine Engberg. Join us for a lively discussion, all are welcome. Zoom.
