Keansburg Pre-K Program

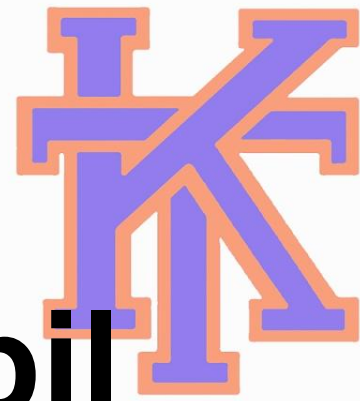

The Pre-K is introducing HighScope's Story Time using their ***"Let's Read It Again!"*** method. ***"Let's Read It Again!"*** is based on the research-supported method of reading a book to young children multiple times. Repeated readings of a text, each with a different focus, has been shown to increase children's vocabulary, comprehension, and enjoyment of literature.

- High Scope Educational Research Foundation, 2019

We are re-launching our **Playground with the Police** initiative. We have invited local law enforcement officers to play with our students on the playground and visit our classrooms regularly. Our goal is to build ongoing positive relationships between law enforcement and our students.
