Keansburg Special Education Parent Advisory Group (KSEPAG)

**Who We Are:** KSEPAG is a parent-led advisory group for the parents/guardians of students receiving special education services. The Individuals with Disabilities Education Act encourages parents and educators to work collaboratively, emphasizing that as a team they are uniquely suited to make decisions that help improve the educational experiences and outcomes of children with disabilities. In New Jersey school districts are required to have a SEPAG:

**Each board of education shall ensure that a special education parent advisory group is in place in the district to provide input to the district on issues concerning students with disabilities.**

**[New Jersey Administrative Code 6A:14-1.2(h)]**

### **Our Mission:**

- Facilitate effective and productive communication between parents, students, Special Services Administration, the community and Board of Education members
- Collaborate with key district and community stakeholders to enhance the quality of special education policies, practices and programs for all students receiving special education services
