Children will learn how to creatively express themselves through pantomime, music, movement and storytelling. Sessions offered will vary in content each week. Children should wear sneakers and bring a snack and drink

Theatre Techies Camp

Campers will be introduced to the realm of the theatre technician. They will have the opportunity for hands-on experiences with each of the aspects of stagecraft - design, construction, scene painting, lighting and sound. At the end of the week the campers will run the production side of a stage presentation. Wear play clothes and bring enthusiasm for a genuine theatre technician experience.

Creative Actor Training

Are you serious about becoming an actor? This conservatory-style camp will introduce you to the art and study of straight acting. You will take part in activities such as stage combat, scene study, physical theater, improvisation, voice and speech and more. Please wear sneakers and bring a lunch, snack and drink to camp

Places, Please!

Campers will have an intensive immersion in the art of presenting a musical number for the stage. They will rehearse a musical production for a showcase performance on the last day of camp. Campers must wear sneakers and bring lunch, snack and drink.

Kids On Stage

Through acting exercises and improvisation, aspiring young actors will create, rehearse and design a performance. Family and friends are invited to a short show on Friday. Content varies each week. Children must wear closed-toe shoes and bring food and drink daily.
