Vice Principal
Mr. Michael-John Herits

Dear Parents of incoming 6th, 7th, and 8th graders,

The Bolger Middle School is starting a summer math packet initiative for the upcoming school year. We are hoping that the extra math practice ensures a more successful 2018-2019 school year. The packet was distributed to your child and will also be posted on the district website if it is misplaced. Please note:

- All work must be done on a separate sheet of paper, neatness, organization, proper procedures, will all be taken into account for grading
- **The packet is due on September 10, 2018**
- Extra support for incoming 6th - 8th graders will be available at the Bolger Middle School media center from **2:45 - 3:45 on August 1st, 8th, and 15th.**
- **This assignment will count as the first classwork grade for your child for the upcoming school year**

Sincerely,

Michael Rosenberg

Math Specialist
