

Why Should You Join the PTA?

The number one reason to join the PTA is to benefit your child. In doing so, you also help your school. But there are many more advantages. Here are just a few:

Get Connected: There's no better way to know what's happening in your school than by becoming a member of the PTA.

Speak Up: Because the PTA is a forum for exchanging ideas, you are encouraged to make suggestions. The PTA can be a way for you to more effectively suggest change at your child's school.

Be Part of the Change: By getting involved you'll be part of the solution, helping make positive changes. Local PTAs play an important role in fundraising to provide building improvements, curriculum-based programs, and social events--all vital to a school's success.
