

Universal Screener Review Team Member 25-26

Salary: \$43.00 per hour / Not to exceed 5 hours (\$215.00)

Description: School District is seeking dedicated elementary staff members to serve on the Universal Screener Review Team as part of the NJDOE FOCUS Grant initiative. Team members will collaboratively review and evaluate K–3 universal literacy screeners to select the most appropriate tool for implementation districtwide beginning in the 2025–2026 school year.

Responsibilities Include:

- Participate in professional learning related to evidence-based screening practices.
- Review and compare multiple universal literacy screeners using research-based rubrics and criteria.
- Evaluate screeners for alignment to the New Jersey Literacy Framework and district literacy goals.
- Provide input and recommendations based on instructional expertise, classroom applicability, and student needs.
- Collaborate with district leaders and colleagues to support data-driven decision-making.

Qualifications:

- Current K–3 classroom teacher, reading specialist, interventionist, or instructional coach preferred
- Demonstrated knowledge of early literacy development and assessment practices
- Commitment to equitable and data-informed instruction
- Strong collaboration and communication skills
- Interest in supporting district-wide literacy improvement efforts
