

# Have a thought...? PROVE IT with TEXT EVIDENCE!

For instance  
in the text...

There are many reasons as to why the character is kind. For instance in the text Jessica helped Johnny pick up all his books when he dropped them in the hallway.

The author  
stated...

The fundraiser was a great success. I know this because the author stated...  
"The smiles on everyone's faces makes all of the planning worth it! I can't wait to do it again next year!"

Within the  
reading I  
found...

Many people are afraid of snakes. within the reading I found that 70% of people are afraid to go near snakes, even if they are not poisonous.

One example that  
shows this is...

The character in the story is very determined. One example that shows this is when Harry struck out three times during the game, he still went home to practice his swing.

...because the  
text states...

The puppy was very energetic. I know this because the text states that he was nipping and jumping all over the kids.
