Rot & Ruin

Entry #2

A, B, C -
faerie
pg. 332

Faerie - in the dictionary the definition is fairyland. In Rot & Ruin fairyland is renamed Gameland. If you think Gameland is peaceful and happy like a fairyland is

Supposed to be, you're wrong. Gameland is an underground building where people are throwing into a pit with zombies with only a stick. And when I tell you they're hungry, they're Really hungry. To you survive you get a whole 50 ration dollars. If your food money without ration dollars you would get no food. If the town officers find out you have no ration dollars, then you are kicked out of the safe part of town and thrown in the Pit. Once you're there, it's all about survival.
