## Outpost Entry

### Before

- Will Teagan die. Will some of the Predators-Maya in a freak attack guards die again? Freaks will target the people inside the walls of the outpost.
- Will there be a freak invasion watchtower when they are asleep? Would save some of them?
- How are the freaks getting the guards sleeping now, smarter? They don't have a freak to examine the watchtower set up yet?
- How the regretting smarter?
- Prediction - I think there will be a huge invasion because they have attacked in a long time.

### During

- Will some of the Predators-Maya die again? Freaks will target the people inside the walls of the outpost.
- Where are the guards sleeping now, smarter? They don't have a freak to examine the watchtower set up yet?

### After

- Will some of the Predators-Maya die again? Freaks will target the people inside the walls of the outpost.
- If the freaks have food already, why are they still here? Salvation?

Excellent job questioning the text!
