

very nice job!
Great quotes!

Tic tac toe board

From the text, it says:

(ida) "She quickly ran upstairs and opened the note that she got from her old friend."

In my ~~mind~~ mind:

I see:
her rushing to read the note. (I think she was trying to keep it away from her family.)

"I crumbled up the note and threw it out in the garbage!"

I hear:
~~the~~ ~~noise~~ crumbled note.

(stacy) "Everyone clapped after Stacy blew out her birthday candles!"

I smell:
the smoke from the birthday candles.

(ida) "Mmm! Yummy!"
I said as I took another bite.
"Mom, you make the best cakes!"

I taste:
the creamy cake that Ida's mom made. (also said that it was melting in her mouth)
yum!

(ida) "I felt the first tear fall down my cheek as everyone laughed at me."

I feel:
bad and sad because Ida's best friend (stacy) betrayed her. I could tell Ida was brokenhearted!
